## Certificate of Analysis

Date of Testing: 2025-02-28 18:42:19

Date of Next Testing: 2029-02-27 18:42:19

Product Name: **7-Ethylindole**

CAS Number: 22867-74-9

Specifications & Purity:  $\geq 98\%$ 

Lot #: B2526367

SKU #: **E119113**Version: **1**Analysis #: **473367**

Storage Temperature: Argon charged

| Parameter           | Limit Values                                                                  | Result                                                                        |
|---------------------|-------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| Purity(HPLC)        | 98-100 (%)                                                                    | 99.90900 %                                                                    |
| Appearance(E119113) | Clear colorless to pale yellow to yellow to red to brown or pink clear liquid | Clear colorless to pale yellow to yellow to red to brown or pink clear liquid |
| Proton NMR spectrum | Conforms to structure                                                         | Conforms to Structure                                                         |
| Infrared spectrum   | Conforms to Structure                                                         | Conforms to Structure                                                         |

A handwritten signature in black ink that reads "John Su".John Su
