| Product Name:            | <b>Eosin Staining Solution (0.25% alcoholic solution)</b>            |
| CAS Number:              |                                                                      |
| Specifications & Purity: | BioReagent, Biological Stain, for microscopy, Alcohol Soluble, 0.25% |
| Lot #:                   | ZJ25F1029026                                                         |
| SKU #                    | <b>E774784</b>                                                       |
| Version:                 | <b>1</b>                                                             |
| Analysis #:              | 040727                                                               |

| Parameter                 | Limit Value       | Result            |
|---------------------------|-------------------|-------------------|
| Appearance(E774784)       | Orange red liquid | Orange red liquid |
| Cytoplasm,fibers staining | Red               | Red               |
