Product Name: **Florisil®**
CAS Number: 1343-88-0
Specifications & Purity: A Grade, 16-30 mesh
Lot #: F2427063
SKU #: **F298681**
Version: **0**
Analysis #: **058175**

| Parameter | Limit Values | Result |
|--------------------------------|--------------------------|--------------------------|
| Appearance (F298681) | White Powder or Granules | White Powder or Granules |
| Particle size,16-30 mesh > 90% | Pass | Pass |
