| Date of Testing:         | 2026-06-17 16:46:09               |
| Date of Next Testing:    | 2027-06-17 16:46:09               |
| Product Name:            | <b>G-25 Spin Desalting Column</b> |
| CAS Number:              |                                   |
| Specifications & Purity: | BioReagent, Ready to use          |
| Lot #:                   | ZJ26F0636533                      |
| SKU #                    | <b>G1506505</b>                   |
| Version:                 | <b>1</b>                          |
| Analysis #:              | 036709                            |

| Parameter              | Limit Value                                                         | Result                                                              |
|------------------------|---------------------------------------------------------------------|---------------------------------------------------------------------|
| Appearance(G1506505)   | Spherical, white to off-white bead slurry, free of foreign material | Spherical, white to off-white bead slurry, free of foreign material |
| Seal Integrity Testing | Conform                                                             | Conform                                                             |
| Recovery (% Protein)   | Conform                                                             | Conform                                                             |
