## Certificate of Analysis

Date of Testing: 2026-03-28 13:40:17

Date of Next Testing: 2030-03-27 13:40:17

Product Name: **7-Hydroxycoumarin**

CAS Number: 93-35-6

Specifications & Purity:  $\geq 99\%$

Lot #: C2626432

SKU #: **H109352**

Version: **1**

Analysis #: **673025**

Storage Temperature: Room temperature

| Parameter                                                                | Limit Values                                                             | Result                                                                   |
|--------------------------------------------------------------------------|--------------------------------------------------------------------------|--------------------------------------------------------------------------|
| Purity(HPLC)                                                             | 99-100 (%)                                                               | 99.64300 %                                                               |
| Purity (Titration by NaOH)                                               | 98.5-101.5 (%)                                                           | 100.32500 %                                                              |
