## Certificate of Analysis

Date of Testing: 2026-03-19 10:40:33

Date of Next Testing: 2028-03-18 10:40:33

Product Name: **Harman**

CAS Number: 486-84-0

Specifications & Purity:  $\geq 95\%$

Lot #: I2212030

SKU # **H135153**

Version **0**

**Analysis #:** **670242**

Storage Temperature: Store at -20°C, Argon charged

| Parameter                                                     | Limit Values                                            | Result                                                  |
|---------------------------------------------------------------|---------------------------------------------------------|---------------------------------------------------------|
| Purity(HPLC)                                                  | 95-100 (%)                                              | 95.89000 %                                              |
| Appearance (H135153)                                          | White to Light Brown<br>Powder, Crystals, Solid, Chunks | White to Light Brown<br>Powder, Crystals, Solid, Chunks |
| Proton NMR spectrum                                           | Conforms to Structure                                   | Conforms to Structure                                   |
| Solubility in MeOH, Faint Yellow to<br>Yellow Clear, 50 mg/ml | pass                                                    | Pass                                                    |
