## Certificate of Analysis

|                          |                                                                         |
|--------------------------|-------------------------------------------------------------------------|
| Date of Testing:         | 2026-03-18 16:09:33                                                     |
| Date of Next Testing:    | 2027-03-18 16:09:33                                                     |
| Product Name:            | <b>Hepatitis B Virus Staining Solution (Shikata's Orcein Method)</b>    |
| CAS Number:              |                                                                         |
| Specifications & Purity: | BioReagent, Biological Stain, Suitable for Microbiology, for microscopy |
| Lot #:                   | ZJ26F0333226                                                            |
| SKU #                    | <b>H1510444-CG3×50ml</b>                                                |
| Version:                 | <b>1</b>                                                                |
| Analysis #:              | 030365                                                                  |

| Parameter                          | Limit Value                                                  | Result                                                       |
|------------------------------------|--------------------------------------------------------------|--------------------------------------------------------------|
| Appearance(H1510444A)              | Purple opaque liquid with no odor and no sediment            | Purple opaque liquid with no odor and no sediment            |
| Density(H1510444A)(0.97-1.03 g/mL) | Conform                                                      | Conform                                                      |
| Appearance(H1510444B)              | Colorless, transparent liquid with no odor and no sediment   | Colorless, transparent liquid with no odor and no sediment   |
| Density(H1510444B)(0.97-1.03 g/mL) | Conform                                                      | Conform                                                      |
| Appearance(H1510444C)              | Colorless, transparent liquid with no odor and no sediment   | Colorless, transparent liquid with no odor and no sediment   |
| Density(H1510444C)(0.97-1.05 g/mL) | Conform                                                      | Conform                                                      |
| Appearance(H1510444D)              | Red opaque liquid with a characteristic odor and no sediment | Red opaque liquid with a characteristic odor and no sediment |
| Density(H1510444D)(0.84-0.94 g/mL) | Conform                                                      | Conform                                                      |
| Seal Integrity Testing             | Conform                                                      | Conform                                                      |
