| Date of Testing:         | 2023-06-15 16:59:37                                                                                                                                           |
| Date of Next Testing:    | 2026-06-14 16:59:37                                                                                                                                           |
| Product Name:            | (5aS,6R,9S,9aR)-5a,6,7,8,9,9a-Hexahydro-6,11,11-trimethyl-2-(2,4,6-trimethylphenyl)-6,9-methano-4H-[1,2,4]triazolo[3,4-c][1,4]benzoxazinium tetrafluoroborate |
| CAS Number:              | 1037287-79-8                                                                                                                                                  |
| Specifications & Purity: | ≥95%                                                                                                                                                          |
| Lot #:                   | F2310255                                                                                                                                                      |
| SKU #                    | H281519                                                                                                                                                       |
| Version                  | 1                                                                                                                                                             |
| Analysis #:              | 220506                                                                                                                                                        |
| Storage Temperature:     | Store at 2-8°C, Protected from light, Argon charged                                                                                                           |

| Parameter           | Limit Values              | Result                    |
|---------------------|---------------------------|---------------------------|
| Purity(HPLC area)   | 95-100 (%)                | 98.00000 %                |
| Appearance(H281519) | white to off-white powder | White to Off-White Powder |
| Proton NMR spectrum | Conforms to Structure     | Conforms to Structure     |
