

## Certificate of Analysis

Date of Testing: 2023-12-18 09:12:34

Date of Next Testing: 2026-12-17 09:12:34

Product Name: **Hexamethonium hydroxide solution**

CAS Number: 556-81-0

Specifications & Purity: ca. 25% in Water

Lot #: L2314320

SKU #: **H462921**

**Analysis:** **300714**

Storage Temperature: Store at 2-8°C, Argon charged

| Parameter           | Limit Values                                                  | Result                                                        |
|---------------------|---------------------------------------------------------------|---------------------------------------------------------------|
| Concentration       | 25-27 (%)                                                     | 25.54 %                                                       |
| Appearance(H462921) | Colorless to Almost colorless<br>clear to light yellow liquid | Colorless to Almost colorless<br>clear to light yellow liquid |
| Proton NMR spectrum | Conforms to Structure                                         | Conforms to Structure                                         |
