## Certificate of Analysis

Date of Testing: 2024-01-04 14:45:51

Date of Next Testing: 2025-12-24 14:45:51

Product Name: **Iodoacetic acid**

CAS Number: 64-69-7

Specifications & Purity: AR, ≥98%

Lot #: A2402020

SKU #: **I104613**

Version: **0**

Analysis #: **306877**

Storage Temperature: Protected from light,Store at -20°C

| Parameter                                                  | Limit Values                                    | Result                                          |
|------------------------------------------------------------|-------------------------------------------------|-------------------------------------------------|
| Purity (Titration by NaOH)                                 | 97.5-102.5 (%)                                  | 100.01000 %                                     |
| Melting point                                              | 76-83 (°C)                                      | 82.08000 °C                                     |
| Appearance (I104613)                                       | White to Yellow to Light Brown Powder or Flakes | White to Yellow to Light Brown Powder or Flakes |
| Solubility in H <sub>2</sub> O , Colorless to Light Yellow | pass                                            | Pass                                            |
| Clear to Hazy,100mg/ml                                     |                                                 |                                                 |
| Infrared spectrum                                          | Conforms to Structure                           | Conforms to Structure                           |
