## Certificate of Analysis

Date of Testing: 2025-07-09 09:54:30

Date of Next Testing: 2029-07-08 09:54:30

Product Name: **Indole**

CAS Number: 120-72-9

Specifications & Purity:  $\geq 99\%$

Lot #: F2530102

SKU #: **I104726**

Version: **0**

Analysis #: **528975**

Storage Temperature: Store at 2-8°C, Argon charged

| Parameter                               | Limit Values                                            | Result                                                  |
|-----------------------------------------|---------------------------------------------------------|---------------------------------------------------------|
| Purity(GC)                              | 99-100 (%)                                              | 99.41500 %                                              |
| Melting point                           | 51-54 (°C)                                              | 51.91000 °C                                             |
| Appearance (I104726)                    | White to Light Brown<br>Powder, Crystals, Solid, Chunks | White to Light Brown<br>Powder, Crystals, Solid, Chunks |
| Solubility in EtOH, almost transparency | almost transparency                                     | almost transparency                                     |
| Infrared spectrum                       | Conforms to Structure                                   | Conforms to Structure                                   |
