## Certificate of Analysis

Date of Testing: 2026-02-02 09:02:21

Date of Next Testing: 2029-02-01 09:02:21

Product Name: **Indole-3-pyruvic acid**

CAS Number: 392-12-1

Specifications & Purity: Moligand™, ≥95%

Lot #: A2623382

SKU #: **I184250**

Version: **2**

Analysis #: **654157**

Storage Temperature: Store at -20°C

| Parameter                                                                       | Limit Values                                 | Result                                       |
|---------------------------------------------------------------------------------|----------------------------------------------|----------------------------------------------|
| Purity(HPLC)                                                                    | 95-100 (%)                                   | 99.99000 %                                   |
| Appearance (I184250)                                                            | Faint Yellow to Light Yellow to Brown powder | Faint Yellow to Light Yellow to Brown powder |
| Proton NMR spectrum                                                             | Conforms to Structure                        | Conforms to Structure                        |
| Solubility in EtOH, Light to Brown yellow, clear to slightly hazy, 49.0-51mg/ml | Pass                                         | Pass                                         |
