

## Certificate of Analysis

Date of Testing: 2023-06-15 13:54:27  
Date of Next Testing: 2026-06-14 13:54:27  
Product Name: **KF 38789**  
CAS Number: 257292-29-8  
Specifications & Purity:  $\geq 97\%$ (HPLC)  
Lot #: F2303484  
SKU #: **K288031**  
**Analysis:** **212887**  
Storage Temperature: Store at -20°C, Desiccated

| Parameter                | Limit Values          | Result                |
|--------------------------|-----------------------|-----------------------|
| Purity(HPLC area)        | 97-100 (%)            | 99.75 %               |
| LC-MS for identification | Conforms              | Conforms              |
| NMR Spectrum 1H          | Conforms to Structure | Conforms to Structure |
