Product Name: **Luciferase from Vibrio fischeri (Photobacterium f)**

CAS Number: 9014-00-0

Specifications & Purity: lyophilized powder

Lot #: B2212160

SKU # **L121462**

Analysis: **065320**

Storage Temperature: Store at -20°C

Parameter	Limit Values	Result
Appearance (L121462)	White lyophilized Powder	White lyophilized Powder
Composition , Protein, ~40% biuret	pass	Pass
