| Date of Next Testing:    | 2027-03-19 15:29:07                             |
| Product Name:            | Ligament Tissue Single-Cell Dissociation Enzyme |
| Lot #:                   | ZJ26F0333270                                    |
| SKU #:                   | L1507397                                        |
| Version:                 | 1                                               |
| Analysis #:              | 028903                                          |
| Source:                  |                                                 |
| Specifications & Purity: | EnzymoPure™                                     |
| Concentration:           |                                                 |
| Formulation:             | Lyophilized                                     |
| Reconstitution:          |                                                 |
| Storage Conditions:      | Store at 2-8°C                                  |
| Analysis:                | 028903                                          |

| Parameter                                                                                       | Limit Value        | Result             |
|-------------------------------------------------------------------------------------------------|--------------------|--------------------|
| Appearance (L1507397A)                                                                          | Lyophilized powder | Lyophilized powder |
| Appearance (L1507397B)                                                                          | Liquid             | Liquid             |
| Seal Integrity Testing                                                                          | Conform            | Conform            |
| Functional Test: Dissociate human, rat, and mouse ligament tissues into single-cell suspensions | Conform            | Conform            |
