Date of Next Testing: 2029-04-08 13:43:49

Product Name: **Mercuric sulfate**

CAS Number: 7783-35-9

Specifications & Purity: $\geq 99.5\%$

Lot #: G2114270

SKU #: **M140902**

Version: **0**

Analysis #: **491567**

Storage Temperature: Argon charged

Parameter	Limit Values	Result
Purity (Precipitation titration)	99.5-100.5 (%)	99.60 %
Appearance (M140902)	white crystalline powder	white crystalline powder
X-Ray Diffraction	Conforms to Structure	Conforms to Structure
