## Certificate of Analysis

Date of Testing: 2024-06-05 09:48:05

Date of Next Testing: 2028-06-04 09:48:05

Product Name: **Monooctyl Maleate**

CAS Number: 2370-71-0

Specifications & Purity:  $\geq 95\%$

Lot #: F2403416

SKU #: **M158588**

Version: **2**

Analysis #: **313624**

Storage Temperature: Store at -20°C, Argon charged

| Parameter                | Limit Values                                                 | Result                                                       |
|--------------------------|--------------------------------------------------------------|--------------------------------------------------------------|
| Purity(HPLC area)        | 95-100 (%)                                                   | 97.94000 %                                                   |
| Proton NMR spectrum      | Conforms to Structure                                        | Conforms to Structure                                        |
| LC-MS for identification | Conforms                                                     | Conforms                                                     |
| Appearance (M158588)     | Colorless to light yellow liquid or White to off-white solid | Colorless to light yellow liquid or White to off-white solid |
