## Certificate of Analysis

Date of Testing: 2026-06-22 18:48:26

Date of Next Testing: 2030-06-21 18:48:26

Product Name: **methyl tri C<sub>8</sub>-C<sub>10</sub> ammonium chloride**

CAS Number: 72749-59-8

Specifications & Purity:

Lot #: F2610513

SKU #: **M299046**

Version **1**

**Analysis #:** **716379**

Storage Temperature: Room temperature

| Parameter                                                                  | Limit Values                       | Result                             |
|----------------------------------------------------------------------------|------------------------------------|------------------------------------|
| Percent Chloride After Oxygen Combustion (Titration by AgNO <sub>3</sub> ) | 6-8 (%)                            | 7.20000 %                          |
| Appearance(M299046)                                                        | Colorless to Yellow Viscous Liquid | Colorless to Yellow Viscous Liquid |
| Infrared spectrum                                                          | Conforms to Structure              | Conforms to Structure              |
