## Certificate of Analysis

Date of Testing: 2024-03-01 09:54:20

Date of Next Testing: 2027-03-01 09:54:20

Product Name: **Methyl 2,6-dichlorobenzoate**

CAS Number: 14920-87-7

Specifications & Purity:  $\geq 97\%$

Lot #: B2423619

SKU #: **M333521**

Version: **1**

Analysis #: **319798**

Storage Temperature: Room temperature

| Parameter                | Limit Values                                                | Result                                                      |
|--------------------------|-------------------------------------------------------------|-------------------------------------------------------------|
| Purity(GC)               | 97-100 (%)                                                  | 99.03000 %                                                  |
| Appearance(M333521)      | White to very pale yellow Low melting solid or clear liquid | White to very pale yellow Low melting solid or clear liquid |
| NMR Spectrum 1H          | Conforms to structure                                       | Conforms to Structure                                       |
| GC-MS for identification | Conforms                                                    | Conforms                                                    |
