

Certificate of Analysis

Date of Testing: 2023-08-19 13:07:01
Date of Next Testing: 2026-08-18 13:07:01
Product Name: **4-methylphenylmethylammonium Iodide**
CAS Number: 289716-73-0
Specifications & Purity: 99% (4 Times Purification)
Lot #: H2314270
SKU #: **M493435**
Analysis: **257131**
Storage Temperature: Protected from light,Room temperature,Argon charged

| Parameter | Limit Values | Result |
|-----------------------------|--------------------------|--------------------------|
| Purity(NonaqueousTitration) | 98.5-101.5 (%) | 99.25 % |
| Appearance(M493435) | white to off-white solid | White to off-white solid |
| NMR Spectrum 1H | Conforms to structure | Conforms to Structure |
