## Certificate of Analysis

|                          |                                                                   |
|--------------------------|-------------------------------------------------------------------|
| Date of Testing:         | 2025-08-20 09:00:24                                               |
| Date of Next Testing:    | 2028-08-19 09:00:24                                               |
| Product Name:            | <b>Methyl 3-(5-(2-fluorophenyl)-1,2,4-oxadiazol-3-yl)benzoate</b> |
| CAS Number:              | 775304-60-4                                                       |
| Specifications & Purity: | ≥97%                                                              |
| Lot #:                   | H2511586                                                          |
| SKU #                    | <b>M725706</b>                                                    |
| Version                  | <b>1</b>                                                          |
| Analysis #:              | <b>503375</b>                                                     |
| Storage Temperature:     | Store at 2-8°C                                                    |

| Parameter                | Limit Values                       | Result                             |
|--------------------------|------------------------------------|------------------------------------|
| Purity(HPLC area)        | 97-100 (%)                         | 97.86700 %                         |
| Appearance(M725706)      | white to off-white powder or solid | White to Off-White Powder or Solid |
| NMR Spectrum 1H          | Conforms to Structure              | Conforms to Structure              |
| LC-MS for identification | Conforms                           | Conforms                           |
