| Product Name:            | UltraBio™ Mouse IgG Magnetic Beads                |
| Lot #:                   | ZJ26F0535537                                      |
| SKU #:                   | M751561                                           |
| Version:                 | 1                                                 |
| Analysis #:              | 034688                                            |
| Source:                  |                                                   |
| Specifications & Purity: | BioReagent, for IP, 10 mg/mL, Particle Size: 1 µm |
| Concentration:           | 10 mg/mL                                          |
| Formulation:             | Liquid                                            |
| Reconstitution:          |                                                   |
| Storage Conditions:      | Store at 2-8°C. Do Not Freeze                     |
| Analysis:                | 034688                                            |

| Parameter           | Limit Value                             | Result                                  |
|---------------------|-----------------------------------------|-----------------------------------------|
| Appearance(M751561) | Brown to black Magnetic Bead Suspension | Brown to black Magnetic Bead Suspension |
| Performance(IP)     | Conform                                 | Conform                                 |
