## Certificate of Analysis

Date of Testing: 2026-07-02 16:27:29

Date of Next Testing: 2027-07-02 16:27:29

Product Name: **Mycoplasma Removal Agent (1000×)**

CAS Number:

Specifications &amp; Purity:

Lot #: ZJ26F0636940

SKU #: **M752152**

Version: **1**

Analysis #: 037160

| Parameter                      | Limit Value                                    | Result                                         |
|--------------------------------|------------------------------------------------|------------------------------------------------|
| pH                             | 4.7-5.6                                        | 5.58000                                        |
| Antimicrobial Efficacy Testing | Conform                                        | Conform                                        |
| Mycoplasma Clearance Rate      | Complete clearance (negative result)           | Complete clearance (negative result)           |
| Cytotoxicity                   | No inhibition of proliferation                 | No inhibition of proliferation                 |
| Appearance(M752152)            | Yellowish transparent liquid, no precipitation | Yellowish transparent liquid, no precipitation |
