

## Certificate of Analysis

Date of Testing: 2024-08-22 17:19:39

Date of Next Testing: 2026-08-12 17:19:39

Product Name: **Nickel iodide**

CAS Number: 13462-90-3

Specifications & Purity: 98%

Lot #: K2211637

SKU #: **N104964**

Version: **0**

Analysis #: **403192**

Storage Temperature: Protected from light

| Parameter                                      | Limit Values                                       | Result                                             |
|------------------------------------------------|----------------------------------------------------|----------------------------------------------------|
| Ni(Gravimetric Analysis With Dimethylglyoxime) | 17-20 (%)                                          | 19.34 %                                            |
| Purity                                         | 98-100 (%)                                         | 99.88 %                                            |
| Appearance (N104964)                           | Silver,Grey,Grey-Brown or Black Powder or Crystals | Silver,Grey,Grey-Brown or Black Powder or Crystals |
| X-Ray Diffraction                              | Conforms to Structure                              | Conforms to Structure                              |
