## Certificate of Analysis

|                          |                                                       |
|--------------------------|-------------------------------------------------------|
| Date of Testing:         | 2026-01-22 13:59:25                                   |
| Date of Next Testing:    | 2028-01-22 13:59:25                                   |
| Product Name:            | N-[3-(2-Furyl)acryloyl]-L-phenylalanyl-glycyl-glycine |
| CAS Number:              | 64967-39-1                                            |
| Specifications & Purity: | Moligand™, ≥98%                                       |
| Lot #:                   | F2214322                                              |
| SKU #                    | N135249                                               |
| Version                  | 0                                                     |
| Analysis #:              | 643448                                                |
| Storage Temperature:     | Store at -20°C                                        |

| Parameter            | Limit Values                 | Result                       |
|----------------------|------------------------------|------------------------------|
| Purity(HPLC)         | 98-100 (%)                   | 99.23800 %                   |
| Appearance (N135249) | White or light yellow powder | White or light yellow powder |
| Proton NMR spectrum  | Conforms to Structure        | Conforms to Structure        |
