## Certificate of Analysis

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Date of Testing:         | 2026-04-20 17:03:15                                        |
| Date of Next Testing:    | 2027-04-20 17:03:15                                        |
| Product Name:            | <b>N-(p-Tosyl)-Gly-Pro-Lys 4-nitroanilide acetate salt</b> |
| CAS Number:              | 88793-79-7                                                 |
| Specifications & Purity: | BioReagent, ≥98%                                           |
| Lot #:                   | ZJ26F0434422                                               |
| SKU #                    | <b>N1516103</b>                                            |
| Version:                 | <b>1</b>                                                   |
| Analysis #:              | 033637                                                     |

| Parameter              | Limit Value  | Result       |
|------------------------|--------------|--------------|
| Purity(HPLC)           | 98-100(%)    | 98.00000 %   |
| Appearance(N1516103)   | White powder | White powder |
| Seal Integrity Testing | Conform      | Conform      |
| Mass spectrum          | Conform      | Conform      |
