Date of Next Testing: 2027-12-16 17:33:24

Product Name: **Nickel on silica/alumina**

CAS Number:

Specifications & Purity: extent of labeling: ~65 wt. % loading, powder

Lot #: L2412663

SKU #: **N475374**

Version: **1**

Analysis #: **415369**

Storage Temperature: Argon charged

Parameter	Limit Values	Result
Ni(Gravimetric Analysis With Dimethylglyoxime)	61-69 (%)	64.00%
Appearance(N475374)	Black Powder	black powder
X-Ray Diffraction	Conforms to Structure	Conforms to Structure
