

Certificate of Analysis

Date of Testing: 2024-12-16 17:34:00
Date of Next Testing: 2027-12-16 17:34:00
Product Name: **Nickel on silica/alumina**
CAS Number:
Specifications & Purity: extent of labeling: ~65 wt. % loading, powder
Lot #: L2412801
SKU #: **N475374**
Version: **1**
Analysis #: **415369**
Storage Temperature: Argon charged

Parameter	Limit Values	Result
Ni(Gravimetric Analysis With Dimethylglyoxime)	61-69 (%)	64.00%
Appearance(N475374)	Black Powder	black powder
X-Ray Diffraction	Conforms to Structure	Conforms to Structure
