Product Name: **NAD/NADH Quantitation Kit**
CAS Number:
Specifications & Purity: sufficient for 100colorimetrictests
Lot #: L2325104
SKU #: **N486176**
Analysis: **305294**
Storage Temperature: Store at -20°C

Parameter	Limit Values	Result
Suitability(suitable for detection of NAD/NADH)	Suitable	Suitable
