

## Certificate of Analysis

Date of Testing: 2025-07-26 15:58:57

Date of Next Testing: 2028-07-25 15:58:57

Product Name: **2-Nitro-5-(1-piperazinyl)aniline**

CAS Number: 96103-52-5

Specifications & Purity:  $\geq 97\%$

Lot #: G2518466

SKU #: **N690738**

Version: **1**

Analysis #: **473190**

Storage Temperature: Store at 2-8°C, Protected from light, Argon charged

| Parameter                | Limit Values          | Result                |
|--------------------------|-----------------------|-----------------------|
| Purity(HPLC area)        | 97-100 (%)            | 99.39 %               |
| LC-MS for identification | Conforms              | Conforms              |
| NMR Spectrum 1H          | Conforms to Structure | Conforms to Structure |
