

## Certificate of Analysis

Date of Testing: 2024-11-16 15:21:34

Date of Next Testing: 2028-11-15 15:21:34

Product Name: **Pentafluoropropionic Acid Anhydride**

CAS Number: 356-42-3

Specifications & Purity: for GC derivatization, ≥99%

Lot #: K2414284

SKU #: **P122803**

Version: **0**

Analysis #: **438136**

Storage Temperature: Argon charged

| Parameter            | Limit Values          | Result                |
|----------------------|-----------------------|-----------------------|
| Purity(GC)           | 99-100 (%)            | 99.73 %               |
| Appearance (P122803) | Colorless Liquid      | Colorless liquid      |
| Infrared spectrum    | Conforms to Structure | Conforms to Structure |
