## Certificate of Analysis

Date of Testing: 2026-03-06 13:37:42

Date of Next Testing: 2027-03-06 13:37:42

Product Name: **Reducing Sugar Content Assay Kit (Fehling, Colorimetric Method)**

CAS Number:

Specifications &amp; Purity:

Lot #:

SKU #

Version:

Analysis #:

BioReagent

ZJ26F0332576

**P1509420-CG50T**
**1**

028994

| Parameter                              | Limit Value                                          | Result                                               |
|----------------------------------------|------------------------------------------------------|------------------------------------------------------|
| Seal Integrity Testing                 | Conform                                              | Conform                                              |
| Appearance(P1509420A)                  | Colorless and transparent solution, free of sediment | Colorless and transparent solution, free of sediment |
| Odor(P1509420A)                        | Odorless                                             | Odorless                                             |
| Appearance(P1509420B)                  | Blue and transparent solution, free of sediment      | Blue and transparent solution, free of sediment      |
| Odor(P1509420B)                        | Odorless                                             | Odorless                                             |
| Density (P1509420B) (0.98 - 1.04 g/mL) | Conform                                              | Conform                                              |
| Appearance(P1509420C)                  | Colorless and transparent solution, free of sediment | Colorless and transparent solution, free of sediment |
| Odor(P1509420C)                        | Odorless                                             | Odorless                                             |
| Density (P1509420C) (1.18 - 1.24 g/mL) | Conform                                              | Conform                                              |
| Appearance(P1509420D)                  | Red and transparent solution, with sediment          | Red and transparent solution, with sediment          |
| Odor(P1509420D)                        | Pungent odor                                         | Pungent odor                                         |
| Appearance(P1509420E)                  | Colorless and transparent solution, free of sediment | Colorless and transparent solution, free of sediment |
| Odor(P1509420E)                        | Odorless                                             | Odorless                                             |
| Density (P1509420E) (1.00 - 1.06 g/mL) | Conform                                              | Conform                                              |
| Performance                            | Conform                                              | Conform                                              |
