

## Certificate of Analysis

Date of Testing: 2023-07-10 13:18:09  
Date of Next Testing: 2026-07-09 13:18:09  
Product Name: **Potassium Sulfamate**  
CAS Number: 13823-50-2  
Specifications & Purity: >98.0%(T)  
Lot #: I2009038  
SKU #: **P160360**  
**Analysis:** **249304**  
Storage Temperature: Argon charged

| Parameter                               | Limit Values          | Result                |
|---|-----------------------|-----------------------|
| Purity(Titration by HClO <sub>4</sub> ) | 97.5-102.5 (%)        | 98.96 %               |
| Infrared spectrum                       | Conforms to Structure | Conforms to Structure |
