

## Certificate of Analysis

Date of Testing: 2025-03-20 15:15:36

Date of Next Testing: 2029-03-19 15:15:36

Product Name: **Potassium persulfate**

CAS Number: 7727-21-1

Specifications & Purity:  $\geq 99\%$

Lot #: C2513673

SKU #: **P292964**

Version: **1**

Analysis #: **486732**

Storage Temperature: Desiccated

| Parameter                              | Limit Values                           | Result                                  |
|----------------------------------------|----------------------------------------|-----------------------------------------|
| Purity(Based On Trace Metals Analysis) | 99-100 (%)                             | 99.94 %                                 |
| Appearance (P292964)                   | Colorless to White Powder and/or Chunk | Colorless to White Powder and/or Chunks |
| X-Ray Diffraction                      | Conforms to Structure                  | Conforms to Structure                   |
