

## Certificate of Analysis

Date of Testing: 2025-06-16 15:40:49

Date of Next Testing: 2027-06-06 15:40:49

Product Name: **Phenolphthalein-Nile Blue indicator**

CAS Number: 77-09-8

Specifications & Purity: indicator

Lot #: H2314449

SKU # **P299393**

Version **1**

Analysis #: **530269**

| Parameter                                                                | Limit Values | Result      |
|--------------------------------------------------------------------------|--------------|-------------|
| Appearance (P299393)                                                     | Blue Liquid  | Blue Liquid |
| Visual transition interval:pH 9.0 (Blue)-pH10.0(Purple)-pH11.0(rose Red) | Pass         | Pass        |
