

## Certificate of Analysis

Date of Testing: 2024-04-30 11:59:25  
Date of Next Testing: 2028-04-29 11:59:25  
Product Name: **Potassium bromate**  
CAS Number: 7758-01-2  
Specifications & Purity:  $\geq 99\%$   
Lot #: D2416454  
SKU #: **P573282**  
Version: **1**  
Analysis #: **353153**

| Parameter                   | Limit Values                       | Result                             |
|-----------------------------|------------------------------------|------------------------------------|
| Assay(Iodometric titration) | 98.5-101.5 (%)                     | 99.59000 %                         |
| Appearance(P573282)         | white crystalline powder or chunks | white crystalline powder or chunks |
| X-Ray Diffraction           | conforms to structure              | Conforms to Structure              |
