Product Name: **poly(benzyl methacrylate)**

CAS Number: 25085-83-0

Specifications & Purity:

Lot #: H2528474

SKU #: **P768012**

Version: **1**

Analysis #: **517845**

Storage Temperature: Store at 2-8°C, Protected from light, Argon charged

| Parameter                | Limit Values          | Result                |
|--------------------------|-----------------------|-----------------------|
| Average molecular weight | 14-16 (kDa)           | 14.70000 kDa          |
| NMR Spectrum 1H          | Conforms to Structure | Conforms to Structure |
