## Certificate of Analysis

Date of Testing: 2026-02-24 13:46:27

Date of Next Testing: 2027-02-24 13:46:27

Product Name: **Red Blood Cell Washing Solution (pH 7.2)**

CAS Number:

Specifications &amp; Purity: BioReagent, Sterile

Lot #: ZJ26F0232138

SKU #: **R1509567**

Version: **1**

Analysis #: 029983

| Parameter                 | Limit Value                                                 | Result                                                      |
|---------------------------|-------------------------------------------------------------|-------------------------------------------------------------|
| Appearance(R1509567)      | Colorless transparent solution with no odor and no sediment | Colorless transparent solution with no odor and no sediment |
| Seal Integrity Testing    | Conform                                                     | Conform                                                     |
| Net Content: 100~106 (ml) | Conform                                                     | Conform                                                     |
| pH value: 6.9~7.5         | Conform                                                     | Conform                                                     |
| Density: 0.98~1.04 (g/ml) | Conform                                                     | Conform                                                     |
