

## Certificate of Analysis

Date of Testing: 2023-11-27 17:21:18

Date of Next Testing: 2027-11-26 17:21:18

Product Name: **Rubidium fluoride**

CAS Number: 13446-74-7

Specifications & Purity:  $\geq 98\%$

Lot #: K2323173

SKU #: **R490188**

Version: **1**

Analysis #: **268667**

| Parameter                       | Limit Values                     | Result                              |
|---------------------------------|----------------------------------|-------------------------------------|
| Rubidium (ICP)                  | $\geq 80.17$ (%)                 | 80.52 %                             |
| Appearance(R490188)             | White Powder or Crystal or Chunk | White Powder or Crystal or Chunk(s) |
| ICP:Confirms Rubidium Component | Confirmed                        | Confirmed                           |
| X-Ray Diffraction               | Conforms to Structure            | Conforms to Structure               |
