## Certificate of Analysis

Date of Testing: 2026-07-21 13:13:27

Date of Next Testing: 2028-07-20 13:13:27

Product Name: **RNAstore Sample Preservation Solution**

CAS Number:

Specifications &amp; Purity:

Lot #: ZJ26F0737567

SKU #: **R665499**

Version: **1**

Analysis #: 038003

| Parameter                                | Limit Value                      | Result                           |
|------------------------------------------|----------------------------------|----------------------------------|
| Appearance (Reagent appearance)          | Colorless and transparent liquid | Colorless and transparent liquid |
| Appearance (Outer packing)               | Intact and undamaged             | Intact and undamaged             |
| pH (5.9-6.1)                             | Conform                          | Conform                          |
| Conductivity (273 mS/cm)                 | Conform                          | Conform                          |
| Performance (Nucleic acid concentration) | Conform                          | Conform                          |
| Performance (RNA stability)              | Conform                          | Conform                          |
