| Product Name:            | Recombinant Human CEACAM-6/CD66c Protein                                                         |
| Lot #:                   | ZJ24F1215515                                                                                     |
| SKU #:                   | rp144258                                                                                         |
| Version:                 | 1                                                                                                |
| Analysis #:              | 038407                                                                                           |
| Source:                  | Recombinant                                                                                      |
| Specifications & Purity: | Animal Free, Carrier Free, Bioactive, Azide Free, High performance, ActiBioPure™, ≥95%(SDS-PAGE) |
| Concentration:           |                                                                                                  |
| Formulation:             | Lyophilized                                                                                      |
| Reconstitution:          | Reconstitute in sterile water to a concentration of 0.1-0.5 mg/ml.                               |
| Storage Conditions:      | Store at -20°C, Avoid repeated freeze-thaw cycles                                                |
| Analysis:                | 038407                                                                                           |

| Parameter                  | Limit Value              | Result                   |
|----------------------------|--------------------------|--------------------------|
| Molecular Weight           | 45-65(kD)                | 57.00000 kD              |
| Purity(SDS-PAGE)           | 95-100(%)                | 100.00000 %              |
| Activity                   | 35-60(%)                 | 50.00000 %               |
| Appearance(rp144258)       | White lyophilized powder | White lyophilized powder |
| Endotoxin Level <0.1 EU/μg | Conform                  | Conform                  |
