| Product Name:            | Recombinant Mouse PD-L1/B7-H1 Protein                               |
| Lot #:                   | ZJ24F0709092                                                        |
| SKU #:                   | rp154493                                                            |
| Version:                 | 1                                                                   |
| Analysis #:              | 031997                                                              |
| Source:                  | Recombinant                                                         |
| Specifications & Purity: | Animal Free, Carrier Free, Bioactive, ActiBioPure™, ≥95% (SDS-PAGE) |
| Concentration:           |                                                                     |
| Formulation:             | Lyophilized                                                         |
| Reconstitution:          | Reconstitute in sterile water to a concentration of 0.1-0.5 mg/ml.  |
| Storage Conditions:      | Store at -20°C, Avoid repeated freezing and thawing                 |
| Analysis:                | 031997                                                              |

| Parameter                  | Limit Value              | Result                   |
|----------------------------|--------------------------|--------------------------|
| Molecular Weight           | 40-55(kD)                | 41.10000 kD              |
| Purity(SDS-PAGE)           | 95-100(%)                | 100.00000 %              |
| Appearance(rp154493)       | White lyophilized powder | White lyophilized powder |
| Endotoxin Level <0.1 EU/μg | Conform                  | Conform                  |
| Mouse PD-1 binding         | Conform                  | Conform                  |
