## Certificate of Analysis

194 aaConcentration:Formulation:LyophilizedReconstitution:It is recommended to re dissolve OsrhKGF freeze-dried powder to 100-200 ug/ml with sterile water, and further dilute it with other solvents. The dissolved OsrhKGF can be stored for 2-7 days at 4 °C and used up as soon as possible. If it is not used for a short time, please store it at -	Date of Testing:	2024-01-25 19:01:17
