| Source:                  | Recombinant                                       |
| Specifications & Purity: | Carrier Free, ≥95% (SDS-PAGE), See COA            |
| Concentration:           | 1.18 mg/mL                                        |
| Formulation:             | Liquid                                            |
| Reconstitution:          |                                                   |
| Storage Conditions:      | Store at -20°C, Avoid repeated freeze-thaw cycles |
| Analysis:                | 035146                                            |
