| Product Name:            | Recombinant Protein A/G, AF594 conjugate                           |
| Lot #:                   | ZJ26F0434925                                                       |
| SKU #:                   | rp303277                                                           |
| Version:                 | 1                                                                  |
| Analysis #:              | 032677                                                             |
| Source:                  | Recombinant                                                        |
| Specifications & Purity: | Azide Free, BioReagent, Suitable for Immunofluorescence, 1.0 mg/mL |
| Concentration:           | 1.0 mg/mL                                                          |
| Formulation:             | Liquid                                                             |
| Reconstitution:          |                                                                    |
| Storage Conditions:      | Store at 2-8°C, Protected from light                               |
| Analysis:                | 032677                                                             |

| Parameter            | Limit Value   | Result        |
