| Date of Next Testing:    | 2027-04-30 15:39:33                                                |
| Product Name:            | Recombinant Protein A/G, AF647 conjugate                           |
| Lot #:                   | ZJ26F0434917                                                       |
| SKU #:                   | rp303278                                                           |
| Version:                 | 1                                                                  |
| Analysis #:              | 032678                                                             |
| Source:                  | Recombinant                                                        |
| Specifications & Purity: | Azide Free, BioReagent, Suitable for Immunofluorescence, 1.0 mg/mL |
| Concentration:           | 1.0 mg/mL                                                          |
| Formulation:             | Liquid                                                             |
| Reconstitution:          |                                                                    |
| Storage Conditions:      | Store at 2-8°C, Protected from light                               |
| Analysis:                | 032678                                                             |

| Parameter            | Limit Value | Result      |
|----------------------|-------------|-------------|
| Appearance(rp303278) | Blue liquid | Blue liquid |
| IF                   | Conform     | Conform     |
