

## Certificate of Analysis

Date of Testing: 2024-09-14 13:28:49

Date of Next Testing: 2028-09-13 13:28:49

Product Name: **Sodium stannate trihydrate**

CAS Number: 12027-70-2

Specifications & Purity: 98%

Lot #: K2011096

SKU #: **S122410**

Version: **0**

Analysis #: **411577**

| Parameter                                     | Limit Values                                  | Result                                        |
|-----------------------------------------------|-----------------------------------------------|-----------------------------------------------|
| Gravimetric Analysis(Sn With Cupferron)       | 41.8-47.2 (%)                                 | 41.80 %                                       |
| Appearance (S122410)                          | White to Off-White Solid, Powder, or Crystals | White to Off-White Solid, Powder, or Crystals |
| ICP:Confirms Na and Sn Components             | Confirmed                                     | Confirmed                                     |
| Solubility in H2O , Colorless Clear ,1 g/10ml | pass                                          | Pass                                          |
| X-Ray Diffraction                             | Conforms to Structure                         | Conforms to Structure                         |
