## Certificate of Analysis

Date of Testing: 2023-04-08 16:23:46

Date of Next Testing: 2026-04-07 16:23:46

Product Name: **Selenourea**

CAS Number: 630-10-4

Specifications & Purity:  $\geq 98\%$

Lot #: C23241364

SKU #: **S282567**

Version: **2**

Analysis #: **198798**

Storage Temperature: Store at 2-8°C, Protected from light

| Parameter                        | Limit Values                                                      | Result                                                            |
|----------------------------------|-------------------------------------------------------------------|-------------------------------------------------------------------|
| Assay                            | 98-100 (%)                                                        | 98.00100 %                                                        |
| ICP: Confirms Selenium Component | Confirmed                                                         | Confirmed                                                         |
| Appearance(S282567)              | White to Off-white to Grey and Pink-Grey to pink to purple Powder | White to Off-white to Grey and Pink-Grey to pink to purple Powder |
| Infrared spectrum                | Conforms to Structure                                             | Conforms to Structure                                             |
