

## Certificate of Analysis

Date of Testing: 2025-03-21 15:39:10

Date of Next Testing: 2028-03-20 15:39:10

Product Name: **Sodium carbonate monohydrate**

CAS Number: 5968-11-6

Specifications & Purity: high-purity, Reagent grade,  $\geq 99.5\%$

Lot #: C2513160

SKU #: **S433038**

Version: **1**

Analysis #: **486801**

| Parameter                                | Limit Values          | Result                |
|------------------------------------------|-----------------------|-----------------------|
| Purity(Titration by HCl)                 | $\geq 99.5$ (%)       | 99.98 %               |
| Appearance(S433038)                      | White Powder          | White powder          |
| Solubility (100 mg/mL, H <sub>2</sub> O) | Pass                  | Pass                  |
| X-Ray Diffraction                        | Conforms to Structure | Conforms to Structure |
