Product Name: **Super page gelsteinred nucleic acid dye, 10000 × In water**

CAS Number:

Specifications & Purity:

Lot #: F2504668

SKU #: **S598081**

Version **1**

Analysis #: **431395**

Storage Temperature: Protected from light, Room temperature

Parameter	Limit Values	Result
Appearance(S598081)	Red liquid	red liquid
Suitable for staining DNA in polyacrylamide gels	Suitable	Suitable
